To: **Sara Peters** <speters@walkuplawoffice.com>
Cc: **mark.premohopkins@kirkland.com**

Counsel, Judge Cisneros has provided the following response which will also be posted as a text order:

The witness must answer Ms. Peters's question, and Mr. Wong has not done so despite repeated questioning. The objection is not grounded in any privilege. Mr. Wong must answer. This ruling does not resolve whether the objection is sustained. The question may be improper, and an objection may be sustained at some point, if a party seeks to introduce the witness's response into the litigation, but for now, Mr. Wong must answer.

Thank You,

Brittany Nicole Sims

Courtroom Deputy to the Honorable Magistrate Judge Lisa J. Cisneros

Subject: Emergency Deposition Dispute (LR 37-1(b))

CAUTION - EXTERNAL:

Dear Ms. Sims:

Pursuant to Civil L.R. 37-1(b) and Judge Cisneros' standing order, Plaintiffs' counsel respectfully requests emergency judicial intervention during the deposition of Uber 30b6 deponent Sunny Wong, which is currently in progress. Plaintiffs' counsel feel that the witness is not being responsive, and Uber's counsel disagrees. The parties have engaged in good faith attempts to resolve the dispute but were not able.

The relevant excerpt is pasted below.

Please let us know if the Judge is available for us to call and, if so, at what time we should call. If she prefers to call us, Plaintiffs' counsel can be reached at cell phone (415) 319-3272 (Sara Peters) and Uber's counsel can be reached at cell phone (312) 497-6606 (Mark Premo-Hopkins).

Thank you

Excerpt:

125/17 13:17:27 Q. And so would you agree that Uber has a

125/17 13:17:32 responsibility to do everything that it can not to

125/18 13:17:35 the dispatch drivers who are going to sexually

125/19 13:17:38 assault riders?

125/20 13:17:39 MR. PREMO-HOPKINS: Object to form.

125/21 13:17:40 THE WITNESS: Again, as part of the Uber

125/22 13:17:43 platform, our goal was to provide again safe

125/23 13:17:45 reliable transportation options for our users

125/24 13:17:48 through our matching platform.

125/25 13:17:49 Q. Going to object as nonresponsive and
126/1 13:17:52 direct you back to my question. My question is,
126/2 13:17:58 would you agree that Uber has a responsibility to do
126/3 13:18:01 everything that it can not to dispatch drivers who
126/4 13:18:05 are going to sexually assault riders?

126/5 13:18:06 MR. PREMO-HOPKINS: Object to form.

126/6 13:18:08 THE WITNESS: I mentioned earlier that
126/7 13:18:12 reports of sexual reports on platform are extremely
126/8 13:18:16 rare one in over a million and we continuously try
126/9 13:18:18 to improve safety on the Uber platform. And again
126/10 13:18:23 what the overall goal of also still providing again
126/11 13:18:26 liable matching services with our platform. So
126/12 13:18:30 we're not leaving anyone out in the middle of the
126/13 13:18:31 night to we can provide that trip.

126/14 13:18:33 Q. Counsel I'd ask that you instruct the
126/15 13:18:35 witness to respond to the question?

126/16 13:18:38 MR. PREMO-HOPKINS: You can ask. That's
126/17 13:18:42 fine. I think it's a completely improper question
126/18 13:18:45 that's why I'm objecting to the form.

126/19 13:18:47 THE WITNESS: Can you repeat the question.

126/20 13:18:48 MS. PETERS: No but I'm asking you to
126/21 13:18:50 please.

126/22 13:18:50 MR. PREMO-HOPKINS: I'm not going to

126/23 13:18:51 instruct my the witness to answer the question. I

126/24 13:18:53 think the witness has answered the question fairly

126/25 13:18:56 as asked.

127/1 13:18:57 Q. Okay I'm going to ask it again because

127/2 13:19:04 he's not been answering it. Would you agree that

127/3 13:19:06 Uber has a responsibility to do everything that it

127/4 13:19:09 can to not dispatch drivers who are going to

127/5 13:19:13 sexually assault riders?

127/6 13:19:14 MR. PREMO-HOPKINS: Object to form.

127/7 13:19:15 THE WITNESS: S-RAD does not have -- S-RAD

127/8 13:19:20 assesses risks at the payer -- rider-driver pairing

127/9 13:19:25 level. It doesn't score user level risks. So we

127/10 13:19:30 don't have that visibility in terms of at the user

127/11 13:19:33 level which driver is what you define as risky

127/12 13:19:36 right.

127/13 13:19:36 Q. Yeah I'm not I'm not saying that the

127/14 13:19:41 drivers are known to be risky drivers?

127/15 13:19:43 MR. PREMO-HOPKINS: That's exactly what

127/16 13:19:45 you're asking him.

127/17 13:19:45 Q. I'm asking, you would agree that Uber has

127/18 13:19:52 a responsibility to do everything it can to not --

127/19 13:19:56 and I'll ask it a little bit differently -- to not

127/20 13:20:00 make a driver trip pairing that is going to result

127/21 13:20:02 in a sexual assault of a rider?

127/22 13:20:04 MR. PREMO-HOPKINS: Object to form.

127/23 13:20:05 MS. PETERS: Do you agree.

127/24 13:20:06 MR. PREMO-HOPKINS: Object to form.

127/25 13:20:07 THE WITNESS: Again there's no way for us

128/1 13:20:09 with reasonable confidence to know or identify

128/2 13:20:12 what's going to happen on a particular trip. These

128/3 13:20:14 sexual assaults are extremely rare that are reported

128/4 13:20:16 on the Uber platform I mentioned earlier. Sorry.

128/5 13:20:20 So again there's no way for us to know with

128/6 13:20:22 reasonable confidential. Again we try our best. We

128/7 13:20:24 have investing in things like S-RAD. We're going to

128/8 13:20:28 invest in it to improve safety but again these

128/9 13:20:31 events are extremely rare and we continuously try to

128/10 13:20:34 improve S-RAD and other safety programs at Uber.

128/11 13:20:36 Q. I think you're answer go about what Uber

128/12 13:20:39 can do. I'm asking to the extent it's able to,

128/13 13:20:43 would you agree that Uber has a responsibility to do

128/14 13:20:46 everything it can to not make pairings of drivers

128/15 13:20:52 with trips that are likely to result in sexual

128/16 13:20:56 assault?

128/17 13:20:56 MR. PREMO-HOPKINS: Object to form.

128/18 13:20:56 THE WITNESS: The report rates of sexual

128/18 13:21:09 assaults are extremely rare. And there's no way for

128/20 13:21:12 us with reasonable confidence say which pairings are

128/21 13:21:16 going to -- will be deemed to be maybe have a higher

128/22 13:21:20 risk right. So that's why again we've done other --

128/23 13:21:24 we continue to invest in improving our ability to

128/24 13:21:26 improve safety via S-RAD. So.

128/25 13:21:31 Q. So counsel we're going to have to take a

129/1 13:21:38 break and?

129/2 13:21:38 MR. PREMO-HOPKINS: I mean do you want me

129/3 13:21:40 to read the question back to you.

129/4 13:21:41 MS. PETERS: No I don't.

129/5 13:21:42 MR. PREMO-HOPKINS: The question was I

129/6 13:21:43 just want this to be on the record. He's explained

129/7 13:21:46 to you.

129/8 13:21:46 MS. PETERS: It is on the record.

129/9 13:21:47 MR. PREMO-HOPKINS: He's explained to you

129/10 13:21:50 multiple times that given the rarity of these events

129/11 13:21:54 and the technology they have there is no way to

129/12 13:21:56 determine whether any particular driver or pairing

129/13 13:21:59 or trip is likely to result in sexual assault.

129/14 13:22:01 Every time you ask the question, you ask the

129/15 13:22:03 question of whether or not Uber has a responsibility

129/16 13:22:06 to do something that he's told you is impossible.

129/17 13:22:08 It's a completely unfair and improper question and

129/18 13:22:11 he's answered it. So I'm happy to go to the judge

129/19 13:22:13 and read the judge that question and read the answer

129/20 13:22:16 that he gave if you think that's what we need to do.

129/21 13:22:18 MS. PETERS: Yeah I do think we need to

129/22 13:22:21 because like I said to Mr. Wong, my question is

129/23 13:22:24 about whether Uber should do everything that it can

129/24 13:22:28 do. He's explaining what he thinks are the limits

129/25 13:22:30 of what it can do. And we'll get to that. But I'm

130/1 13:22:33 asking for a basic principle. Should it do what is

130/2 13:22:36 within its power. That's the question.

130/3 13:22:38 MR. PREMO-HOPKINS: That's a legal

130/4 13:22:40 question also.

130/4 13:22:40 MS. PETERS: No. I mean.

130/5 13:22:41 MR. PREMO-HOPKINS: There's so many

130/6 13:22:44 problems with the question. I'm happy -- if you

130/7 13:22:46 want to ask a clean question, have him answer it

130/8 13:22:48 again so that you can have it on the record and

130/9 13:22:50 decide what you want to do in terms of going to the

130/10 13:22:52 judge, we can do that, but he's certainly fairly and

130/11 13:22:56 accurately answering the question that you've asked

130/12 13:22:58 so far.

130/13 13:22:58 Q. I'll try one more time. And first

130/14 13:23:06 Mr. Wong I understand you're saying there are limits
130/15 13:23:08 to what Uber maybe can do. My question is to the
130/16 13:23:14 extent that it's within Uber's ability, do you agree
130/17 13:23:18 that Uber should -- strike that. Let me get my
130/19 13:23:24 wording.

130/20 13:23:24 Q. Do you agree that to the extent that it's
130/21 13:23:28 within Uber's ability, Uber should do whatever it
130/22 13:23:33 can not to make driver trip pairings that are likely
130/23 13:23:37 to result in sexual assault?

130/24 13:23:39 MR. PREMO-HOPKINS: Object to form. The
130/25 13:23:40 last part of your question there is completely
131/1 13:23:43 improper and unfair. And I'm saying it because
131/2 13:23:46 you've threatened to call the judge. There are many
131/3 13:23:48 ways you could ask this question that would be
131/4 13:23:50 proper. When you put that in there and you know
131/5 13:23:52 what he's told you and testified to, you're making a
131/6 13:23:55 misrepresentation of the record to him, and you're
131/7 13:23:59 improperly characterizing the facts. So you can ask
131/8 13:24:02 a question like that that would work, but when you
131/9 13:24:04 say likely to result in sexual assault, he's told
131/10 13:24:07 you that's impossible for them to know. And so when
131/11 13:24:09 you put that into your question it makes it
131/12 13:24:11 impossible for him to answer other than the way he's

131/13 13:24:13 answering it. So the structure of your question is

131/14 13:24:15 calling for for that answer. So there are ways for

131/15 13:24:18 you to do a question like that. And you can ask

131/16 13:24:20 that question, but if you continue to ask whether or

131/16 13:24:23 not Uber should do anything with regard to pairings

131/18 13:24:27 that are likely to result in sexual assault you're

131/19 13:24:30 going to keep getting the same answer because that's

131/20 13:24:32 unknowable.

131/21 13:24:35 MS. PETERS: I disagree. I think the

131/22 13:24:36 whole rest of this deposition has been about the

131/23 13:24:38 know ability of which are and are not high risk.

131/24 13:24:44 But that is question about what Uber should do with

131/25 13:24:48 that information. But yeah let's reach out to the

132/1 13:24:50 judge. Let's go off the record please.

132/1 13:24:52 THE VIDEOGRAPHER: Counsel do you agree.

132/2 13:24:55 MR. PREMO-HOPKINS: Yeah we can go off the

132/3 13:24:56 record.

132/4 13:24:56 THE VIDEOGRAPHER: Going off the record at

132/5 13:24:58 1:25 p.m.
